🔹 Personal Dashboard Features

The **Personal Dashboard** is a user-focused, customizable area for every employee to monitor real-time data and manage daily work operations quickly.

🌟 Features:

1. **Quick Overview Section**
    - Today's attendance status
    - Leave balance
    - Upcoming holidays
    - Pending tasks and deadlines
2. **Real-Time Notifications & Announcements**
    - Important HR announcements
    - Birthday and work anniversary wishes
    - Policy updates and reminders
3. **Customizable Widgets**
    - Drag-and-drop layout of most-used modules (e.g., tasks, attendance, payroll).
    - Dark/light mode or theme switch.
    - Widget visibility based on preference.
4. **Calendar View**
    - Integration of task deadlines, holidays, training schedules.
    - Meeting/event sync (optional with Outlook or Google Calendar).
5. **Personalized Greetings and Stats**
    - Dynamic welcome message
    - Motivational quote or tip of the day
    - Stats on weekly productivity or goals

🧻 Reference Layout Template for Web/Portal

You can adapt this layout for your HRMS software or employee portal:

| Welcome, [Employee Name]! |

| Date: [DD-MM-YYYY] |

| Quick Overview |

|---|

| Attendance: ✓ Present | In Time: 9:00 |

| Leave Balance: 12 Days |

| Upcoming Holiday: Diwali - 2 Nov |

| Pending Tasks: 3 |

| 📢 Announcements |

| - HR Policy updated on [Date] |

| - Webinar on Soft Skills: 15 June |

| 🗓️ Calendar | 🎯 Tasks | 🧻 Payroll |

| [Widget View – Drag to Rearrange] |

| [Calendar Sync | Salary Slip | Goals]|

| 🎉 Birthday & Work Anniversary Today |

| - Rajeev Sharma - 2 Yrs |

| 🤝 Raise a Request | 🔍 View HR Docs |
