Performance Management Dashboard

- **Overview Metrics**: High-level summary of site performance, team performance metrics, and goal progress.
- **Quick Links**: Jump to OKRs/KPIs, Appraisals, Feedback, Reports, Training.
- **Alerts & Notifications**: Upcoming appraisal dates, low-performing metrics, flagged training needs.

---

2. Set & Track OKRs / KPIs

- **Objective Setup**
    - Objective title
    - Description & purpose
    - Alignment: company/team goals
    - Owner & timeline
- **Key Results** (for each Objective):
    - KR name
    - Target, current value, % complete
    - Status indicator (On-track/At Risk/Off-track)
- **Progress Tracking**:
    - Update history (manual/auto)
    - Visual progress (bar or line charts)
- **Initiatives & Tasks**: Link tasks, deadlines, owners
- **Example Templates**: Based on Tability's OKRs for Web Managers mokkup.ai+9tability.io+9sheetgo.com+9mokkup.aiaihr.com+2businessmap.io+2dribbble.com+2aihr.com

---

3. Schedule & Record Appraisals

- **Appraisal Scheduler**:

    - Calendar view
    - Frequency options (annual/quarterly/monthly)
    - Notification/reminder system
- **Appraisal Form**:
    - Sections for self-evaluation, manager comments, ratings
    - Competency categories, customizable criteria
- **Appraisal Records**: Archive with date, participants, results, comments

---

4. View Performance Reviews & Feedback

- **Feedback Feed**:
    - Stream of 1:1, peer, and manager feedback
    - Filter by type, person, date
- **360-Degree Reviews**:
    - Aggregate feedback from peers, managers, stakeholders
    - Visual summaries (radar or bar charts)
- **Review History**: View past feedback by employee or time period

---

5. Generate Performance Reports

- **Report Builder**:
    - Choose entities (team/role/website vs. KPIs/OKRs) & time range
    - Output types: PDF, PowerPoint, Excel
- **Report Templates**:
    - Dashboard overviews, detailed KR tables, appraisal summaries, feedback heatmaps
    - Smartsheet-style KPI dashboards aihr.comsmartsheet.com
- **Scheduled Reports**: Weekly/Monthly exports to stakeholders

---

6. Identify Training Needs

- **Gap Analysis**:
    - Compare target vs actual performance
    - Highlight low-scoring competencies in appraisals
- **Training Recommendations**:
    - Match skills gaps to recommended modules or courses
    - Link to internal/external resources
- **Development Plans**:
    - Create employee or role-based plans
    - Assign training, set deadlines, track progress
    - AIHR's best-practice inclusion of development resources eletive.comaihr.com

---

UI/UX Layout Suggestions

1. **Sidebar Navigation**: Home / OKRs / Appraisals / Feedback / Reports / Training
2. **Breadcrumbs & Tabs**: For drill-down within each panel
3. **Cards for Key Items**: e.g., "Next Appraisal in 2 days", "KR Off-track"
4. **Charts & Data Tables**: Use combined visuals for tracking progress and detailed tables for editing
5. **Export & Alerts Bar**: Positioned top-right for exporting and notification alerts

---

Implementation Templates

- **OKR Template**: Use Cascade Strategy's "OKR Performance Review Template" structure mokkup.aivisily.ailarksuite.com+5cascade.app+5clickup.com+5
- **Performance Review Template**: Start with AIHR's "Comprehensive Performance Management Template" aihr.com

- **Appraisal Form**: Use customizable templates from ClickUp for different review types clickup.com
- **KPI Dashboard UI**: Inspired by Smartsheet/QLIK HR dashboards smartsheet.com+1qlik.com+1

✅ How to Use

- **Copy & adapt** the structured forms into your CMS or dashboard builder.
- **Embed interactive charts** (e.g. progress bars, line graphs) connected to your data sources.
- **Use calendar widgets** to manage appraisal schedules.
- **Link feedback forms** to store into searchable databases.
- **Generate PDF/Excel reports** via template-driven export engine.
- **Add training modules & gap analysis** via competency scoring and content linking.

📋 Quick Summary Table

Module / Panel	Core Features
Dashboard	Overviews, alerts, navigation
Set & Track OKRs / KPIs	Objectives, KRs, progress, visual tracking
Appraisal Scheduler & Forms	Calendar scheduling, self/mgr evaluations, archived records
Feedback & Reviews	Live feedback feed, 360-degree reviews, visual summaries
Report Generator	Custom report builder, export options, scheduled delivery
Training & Development	Skills gap analysis, training suggestions, development plan tracking
